SUBJECT: GRADUAL RETIREMENT

PLEASE PUT THIS ON THE
SHELF IN THE HOPE
THAT THE INTEREST IN
IT GOES AWAY. IF
IT DOESN'T, DDA AGREE
TO FIGHT IT AS A BAD
IDEA.

Bill K.,

I am not sure this
is such a great idea
even though it seemed
to be during the
"Excellence Period."

What do you think?

Attached is a draft HN on "The Gradual Retirement Program". I wanted to send an advance copy for your information.

As you will recall, in July 84 we sent a paper to you on this subject, suggesting that you might want to discuss gradual retirement with the ExDir and the DD's. In August you advised that the subject had been discussed with the DDCI and others, and instructed us to go ahead with an HN.

The HN will be coming to you for your signature in the near future after the proper coordination has been done.
